Irving Rabin
Dr. Barbara C. Rosenberg
ADVISORY COMMITTEE

Chaim Heller
HEAD OF SCHOOL

On behalf of all of us at Brandeis Hillel Day School, we gratefully acknowledge the generous grant of \$1,000 from the Bill Graham Foundation for our Marin Campus Music Program.

The music program at our Marin Campus is much-beloved by students and families alike. It also plays a vital role in teaching our students about Jewish culture through music, combining the joys of learning how to sing and play instruments with pride in our cultural and spiritual background. The Bill Graham Foundation's gift will allow us to purchase technology that will allow us to translate music passed down through oral tradition to sheet music, which is instrumental in our students' ability to learn the songs. We are so grateful for this.

As stipulated in the transmittal letter, we would be delighted to provide a report on the use of the funds upon request.

Again, we remain truly thankful for the Bill Graham Foundation's gift and its continued support of our school. Thank you.

Sincerely,

Chaim Heller
Head of School
